

Membership of Divisions, Safety Specialist Committee (SSC) and Young Members Committee (YMC)

Information to note:

As a learned society, the HKIE encourages the exchange of technical information and ideas of different engineering fields among members and kindred organisations. Many of the learned society activities including but not limited to technical meetings, seminars and social events are organised by Divisions and Committees which allow members with common technical or other interests to share and disseminate information.

Division membership is open to any member of the Institution. Only members of the Divisions shall have the voting right in the General Meetings of the respective Divisions.

Fee

Each member of the HKIE may join three Divisions free of charge, and is required to pay HK\$100 per annum for joining each additional Division. *(Members who wish to join more than three Divisions shall be required to enclose a cheque with the right amount payable to “The Hong Kong Institution of Engineers” when submitting this form.)*
